PROPERTY DESCRIPTION:

This property offers a great business opportunity. The seller has run electric and water around the entire 5 acre lake and installed 7 camper sites with hook ups all for his personal use on the east side of the lake, but has it turned into a small business. The Seller made around \$20,000 in 2024 renting the camper spots and wasn't even trying to rent the spots. This property would be perfect for building a few tiny homes, cabins or shipping container cabins around the lake to Air B&B and VRBO and build more camper sites to rent. With almost 1/2 mile of Interstate 70 frontage and 20,000+ vehicles that drive past it a day it's the perfect advertising. There are multiple lake view locations and some great building spots overlooking the multiple oak ridges and great rocky creek bottom plus many more building locations. There is room to build bike trails, ATV trails, playgrounds and more. Or build one private cabin and use for your personal use. The property is covered in deer sign.
