11. The Trustees of GARLAND WOODS SUBDIVISION shall have full authority and power to determine what road maintenance and repairs are necessary and to contract for such maintenance and repairs on behalf of the owners of lots. Commencing on the 1st day of January each lot shall pay an annual assessment of Two Hundred and Fifty and No/100ths Dollars (\$250.00) for road maintenance and repairs. The aforesaid obligation to pay for road maintenance and repairs and the annual assessments therefor constitutes a lien against the lot of each property owner in favor of the Trustees. Such lien shall arise from the time it is incurred until it is paid in full. This assessment is subject to change and can be changed as specified under Article 25 of the Covenants, Conditions and Restrictions of Garland Woods Subdivision. At the time of purchase, each owner becomes jointly responsible for the cost of maintenance and for the cost of improvements on the roads as originally constructed. All GARLAND WOODS SUBDIVISION lot owners' jointly own platted road and utility easements as shown on plat cabinet B, slide 367 of the Warren County Records.

12. Special assessments shall be approved as specified under Article 25. Notice of special

assessments shall become delinquent thirty (30) days after the billing due date.

13. Any lot owner who owns two (2) or more connecting tracts with one (1) single family residence will be considered as a single lot owner entitled to one (1) vote and shall be assessed as only one (1) lot, except the developer, who will have one (1) vote and one (1) assessment for each unsold lot in the subdivision.
14. Notice of all assessments shall be mailed by the Trustees to the last address used by the Collector for tax bills. If any assessment is not paid within thirty (30) days after the due date, such assessment shall bear interest from such due date at the rate of one percent (1%) per month compounded monthly. In addition to such lien, the personal obligation of the then owner to pay such assessment shall remain his personal obligation regardless of passage of title to his lot to successor. The Trustees may bring legal action against the owner personally obligated to pay the same, and in addition, may execute and acknowledge an instrument reciting the levy of the assessment with respect to such lot and cause the same to be recorded in the Office of the Recorder of Deeds of Warren County, Missouri and thereafter institute an appropriate legal action to enforce such lien when payment of the assessment is six (6) months in arrears. Upon payment, the Trustees shall execute and record (at the expense of the owner of the affected lot) a release of such lien. All costs, including reasonable attorney's fees incurred by the Trustees in enforcing the payment of any delinquent assessment shall be paid by the lot owner in default and the amount of such costs, including reasonable attorney's fees shall be a lien against the lot involved until paid. The lien of any assessment provided for herein shall be subordinate to the lien of any first mortgage now or placed upon any lot subject due to assessments which become due and payable prior to a sale or transfer of such lot pursuant to foreclosure or in lieu of foreclosure. Such sale or transfer shall not relieve such lot from liability for any assessments thereafter becoming due, nor form the lien of any such subsequent assessment. The term "Mortgage" or Mortgages" shall include deed of trust or deeds of trust. Any owner whose assessment is in arrears over twelve (12) months may be subject to a suit for compliance by the GARLAND WOODS SUBDIVISION Trustees at their discretion. If a lot owner is found in non-compliance such lot owner becomes liable for fees that are

incurred for recovering damages, including reasonable attorney's fees, or other dues for such infringement or omissions.

16. Any owner who violates the restrictions may be subject to a suit for compliance by an individual owner at his/her own expense, or by the GARLAND WOODS SUBDIVISION Trustees, when so directed by a majority of owners at the expense of all lot owners. If a lot owner is found in non-compliance, such lot owner becomes liable for fees that are incurred for recovering damages, including reasonable attorney's fees, or other dues for such infringement or omissions. It is, and is hereby declared to be, the intention that each of the covenants and restrictions herein contained shall attach to and remain with each parcel of land within the tract subject hereto and to end with all title's interests and estates in same, and be binding upon every owner. This also includes subdividing property.

17. The Trustees will be comprised of three (3) in number and will be the governing body for GARLAND WOODS SUBDIVISION. They shall have the right to prepare and enforce all reasonable rules and regulations for the enforcement of these restrictions and covenants, and they shall be authorized to grant variances for unusual conditions.
