Farm or Vacant Land or Lot Disclosure Statement

This document has legal consequences. If you do not understand it, consult your attorney.

1 The following is a disclosure statement made by Seller concerning the following Property (the "Property"):

2
3 Section Township Range City State Zip Code County

4 This disclosure statement may assist a Buyer in evaluating the Property, but it is not a warranty of any kind by
5 Seller or any broker or licensee in this transaction, and is not a substitute for any inspection or warranties a Buyer
6 may wish to obtain. Real estate brokers and licensees involved in the sale do not inspect the Property for defects
7 or guarantee the accuracy of the information provided in this form.

8 **TO THE SELLER:** Please complete the following form, including past history or problems if known. Do not leave
9 any spaces blank. If the condition is not applicable to your Property (or unknown), mark "N/A" (or "Unknown") in
10 the blank. The following are representations made by the Seller and are not representations of any broker or
11 licensee. Complete and truthful disclosure of the history and condition of the Property gives you the best
12 protection against future charges that you violated a legal disclosure obligation to a Buyer. Your answers or the
13 answers you fail to provide, either way, may have legal consequences, even after the closing of the sale. This
14 questionnaire should help you meet your disclosure obligations, but it may not cover all aspects of the Property. If
15 you know of or suspect some condition which may negatively affect the value of the Property or impair the health
16 or safety of future occupants (e.g., environmental hazards, physical condition or material defects in the Property
17 or title thereto), then you may use the space at the end of this form to further describe that condition and/or attach
18 additional pages if additional space is required.

19 **TO THE BUYER:** Since these disclosures are based on the Seller's knowledge, you cannot be sure that there
20 are, in fact, no problems with the Property simply because the Seller is not aware of them. The answers given by
21 the Seller are not warranties of the condition of the Property. Thus, you may want to condition your offer on a
22 professional inspection(s) of the Property. Conditions of the Property that you can see on a reasonable
23 inspection and/or that are disclosed herein should either be taken into account in the purchase price or you
24 should make the correction of these conditions by the Seller a requirement of the sale contract. **IF YOU SIGN A**
25 **SALE CONTRACT TO PURCHASE THE PROPERTY, THAT CONTRACT, AND NOT THIS DISCLOSURE**
26 **STATEMENT, WILL PROVIDE FOR WHAT IS TO BE INCLUDED IN THE SALE. IF YOU EXPECT CERTAIN**
