

A detailed map of the Missouri River valley region. The map shows the Missouri River flowing from the top center towards the bottom right. Major cities labeled include Kansas City, Liberty, Blue Springs, Lee's Summit, Belton, Warrensburg, Sedalia, Jefferson City, Columbia, Hannibal, Palmyra, Quincy, St. Louis, Springfield, Peoria, and Bloomington. A red star is located near Hannibal, on the west bank of the Missouri River. The map includes a scale bar at the bottom right, ranging from 0 to 800,000 feet. Various highways are marked with their respective numbers and shields. The map also shows smaller towns, water bodies, and topographical features.
