PROPERTY DESCRIPTION:

Lots of space is what you will find with this two story house. The main floor has one bath and one bedroom along with a kitchen, dining room and living room. Built ins add some character to the main floor. A nice deck is attached to the back of the house. The second story includes two bedrooms and one bath. The floor covering is carpet over hardwood through most of the house. This home could be a real eye popper with exposed and refinished hardwoods. The basement is for mainly storage and utilities.
