### SELLER'S DISCLOSURE STATEMENT

1 To be completed by **SELLER** concerning 15000 Devils Boot Road, Marthasville, MO 63357 (Property Address) located  
2 in the municipality of unincorporated (if incorporated), County of Warren, Missouri.  
3 **Note: If Seller knows or suspects some condition which might lower the value of the property being sold or adversely affect**  
4 **Buyer's decision to buy the property, then Seller needs to disclose it. This statement will assist Buyer in evaluating the property**  
5 **being considered. Real estate brokers and agents involved in the sale do not inspect the property for defects, and they cannot**  
6 **guarantee the accuracy of the information in this form.**

7 **TO SELLER: Your truthful disclosure of the condition of your property gives you the best protection against future charges**  
8 **that you violated your legal obligation to Buyer by concealing a material defect(s), lead-based paint, use as a site for**  
9 **methamphetamine production or storage and/or any other disclosure required by law. Your knowledge of the property prior to**  
10 **your ownership may be relevant. In the case of a material defect, for example, if information that you possess indicates some**  
11 **persistent pattern of a problem not completely remedied, such information should be included in this disclosure in order to**  
12 **achieve full and honest disclosure. Your answers or the answers you fail to provide, either way, may have legal consequences,**  
13 **even after the closing of the sale. This questionnaire should help you meet your disclosure obligation, but it may not cover all**  
14 **aspects of your property. If you know of or suspect some condition which would substantially lower the value of the property,**  
15 **impair the health or safety of future occupants, or otherwise affect Buyer's decision to buy your property, then use the space at**  
16 **the end of this form to describe that condition.**

17 **TO BUYER: THIS INFORMATION IS A DISCLOSURE ONLY AND IS NOT INTENDED TO BE A PART OF ANY**  
18 **CONTRACT BETWEEN BUYER AND SELLER. If you sign a contract to purchase the property, that contract, and not this**  
19 **disclosure statement, will provide for what is to be included in the sale. So, if you expect certain items, appliances, or equipment**  
20 **included, you must specify them in the contract. Since these disclosures are based on the Seller's knowledge, you cannot be sure**  
21 **that there are, in fact, no problems with the property simply because the Seller is not aware of them. The answers given by the**  
22 **Seller are not warranties of the condition of the property. Thus, you should condition your offer on a professional inspection of**  
23 **the property. You may also wish to obtain a home protection plan/warranty. Due to the variety of insurance, requirements,**  
24 **products, and arrangements Buyer should contact appropriate party to determine insurance coverage needed.**  
25 **Conditions of the property that you can see on a reasonable inspection should either be taken into account in the purchase price**  
26 **or you should make the correction of these conditions by the Seller a requirement of the sale contract.**
