AUCTION DETAILS:

Open house Sunday, July 31st Noon to 3PM.

These 50± gently rolling acres are conveniently located on Kentch Road 12 miles from Festus and approximately 35 minutes from South St. Louis County. The land consists of hardwoods and evergreens scattered throughout with open areas that would be ideal for food plots. Other nice features are the wooded ridges, glades, all-weather creek, and potential lake spot. There are great building locations some with beautiful views of the terrain changing from 640' in elevation to 580'. It's also located in the highly sought-after school district of R7. The land also offers good deer and turkey hunting, trail walking, foraging, horseback riding, riding 4-wheelers/side by sides, and recreational therapy. Great property to build the home of your dreams. No need to drive hours for recreational fun when you can have it in your own backyard.
