SCHEDULE B, PART I - Requirements

All of the following Requirements must be met:

1. The Proposed Insured must notify the Company in writing of the name of any party not referred to in this Commitment who will obtain an interest in the Land or who will make a loan on the Land. The Company may then make additional Requirements or Exceptions.
2. Pay the agreed amount for the estate or interest to be insured.
3. Pay the premiums, fees, and charges for the Policy to the Company.
4. Documents satisfactory to the Company that convey the Title or create the Mortgage to be insured, or both, must be properly authorized, executed, delivered, and recorded in the Public Records.
5. If the closing for the subject property is to be conducted by the Company, all funds due from the purchaser or purchaser's lender must be in the form of a Cashier's Check, Certified Check or wire transfer. If any part of the sale proceeds is required for the payoff of existing mortgages, or other liens, then such funds must be in the form of a wire transfer.

The above applies to all closings unless specific arrangements are made with the Company. Due to the Company's lack of control of electronic funds transfers through the Federal Reserve System, the Company cannot accept financial responsibility for any delays in the clearing of wire transferred funds.

6. In the event any party to the transaction contemplates the use of a Power of Attorney, the Company requires that the proposed Power of Attorney form be submitted for approval not less than three (3) business days prior to the scheduled closing. The Company may then make additional requirements or exceptions to this Commitment.
7. If requested by the Company, provide evidence satisfactory to the Company that the improvements located on the subject property do not or will not consist of a house trailer, mobile home or manufactured housing unit.
8. If there has been construction, improvements or repairs to or upon the subject property within the last twelve (12) months, neither this commitment, nor any policy of title insurance issued pursuant to this commitment, will insure against loss or damage (and the Company will not pay costs, attorney's fees or expenses) which arise by reason of any lien, or right to a lien, for services, labor or materials heretofore or hereafter furnished, imposed by law and not shown by the public records.

The Company may provide, but is not obligated to provide, such insurance upon the lender, builder or owner making satisfactory arrangements with the Company for the furnishing for review of final affidavits, lists of contractors and suppliers, schedule of disbursements, final waivers of lien, and other information and indemnities that the Company may require. The Company will charge a to be determined fee for such a review. If such insurance is to be requested or required, the Company must be informed of same prior to any closing.

Should any portion of the loan proceeds secured by any Deed of Trust to be insured hereunder be used for construction, improvements or repairs, the Company must be notified in writing, and hereby reserves the right to add additional requirements or exceptions to this commitment. Failure to notify the Company in writing before closing will invalidate any mechanic's lien coverage given by the policy.

9. Section 381.022.5 RSMo (effective 08/28/2016) requires, in part, that a title insurer, title agency or title agent may not act as an escrow, settlement, or closing agent in a residential real estate transaction unless, as part of

the same transaction, the title agency or title agent issues a commitment, binder, or title insurance policy, and Closing Protection Letters (CPL) have been issued protecting the buyer/lender and seller interests.

The statute does not specifically define the CPL, but each title underwriter has filed with the Missouri Department of Insurance a form CPL which generally indemnifies a buyer, lender or seller solely against losses, not to exceed the amount of the settlement funds, only because of the following acts of the title agency or title agent: (a) acts of theft of settlement funds or fraud with regard to settlement funds; and (b) failure to comply with written closing instructions by the proposed insureds when agreed to by the title agency or title agent relating to the title insurance coverage.

The issuance of the CPL is mandatory, and the statute does not permit any waiver of the protections provided by the CPL by any party to the transaction.

Each CPL has a fee of \$25.00.

10. Original "wet ink" signatures for all documents to be recorded, or digital reproductions of "wet ink" signatures on other documents, shall be required for all documents that require a signature, unless such requirement is expressly waived by the Company. Under no circumstances shall the use of e-mails, text messages or other electronic communications constitute an agreement to accept electronic or computer generated signatures with respect to the transaction contemplated by this commitment.
11. The Company has prepared this Commitment assuming the issuance of a standard form ALTA 2021 owner and/or lender policy without any endorsements. The prospective owner and/or lender must notify the Company in writing not less than ten (10) business days prior to closing if the owner and/or lender requires any specific endorsement(s) to the policy. The Company may then make additional requirements or exceptions to this Commitment.
12. If the proposed insured elects to obtain a Surveyor's Real Property Report of the subject land, in lieu of a survey prepared in accordance with Missouri Minimum Standards for Property Boundary Surveys, also known as a boundary or stake survey, the following exception will appear in Schedule B of the Owner's Policy when issued:

Any discrepancies between the actual boundaries of the land and the apparent boundaries as indicated by fences, plantings or other improvements.
13. If all of the Schedule B, Part I - Requirements have not been met within the time period specified in the Commitment to Issue Policy, this Commitment terminates and the Company's liability and obligation end.
14. Any documents requiring notarization to be tendered to Company that will not be notarized by a notary public appointed by the State of Missouri must be delivered for review no less than 72 hours prior to closing
15. Notice: Please be aware that due to the conflict between federal and state laws concerning the cultivation, distribution, manufacture or sale of marijuana, the Company is not able to close or insure any transaction involving Land that is associated with these activities.
16. **The actual value of the estate or interest to be insured must be disclosed to the Company, and subject to approval by the Company, entered as the amount of the Policy to be issued. It is agreed that, as**

WIRE FRAUD ALERT

This Notice is not intended to provide legal or professional advice.

If you have any questions, please consult with a lawyer.

All parties to a real estate transaction are targets for wire fraud and many have lost hundreds of thousands of dollars because they simply relied on the wire instructions received via email, without further verification. **If funds are to be wired in conjunction with this real estate transaction, we strongly recommend verbal verification of wire instructions through a known, trusted phone number prior to sending funds.**

In addition, the following non-exclusive self-protection strategies are recommended to minimize exposure to possible wire fraud.

- **NEVER RELY** on emails purporting to change wire instructions. Parties to a transaction rarely change wire instructions in the course of a transaction.
- **ALWAYS VERIFY** wire instructions, specifically the ABA routing number and account number, by calling the party who sent the instructions to you. DO NOT use the phone number provided in the email containing the instructions, use phone numbers you have called before or can otherwise verify. **Obtain the number of relevant parties to the transaction as soon as an escrow account is opened.** DO NOT send an email to verify as the email address may be incorrect or the email may be intercepted by the fraudster.
- **USE COMPLEX EMAIL PASSWORDS** that employ a combination of mixed case, numbers, and symbols. Make your passwords greater than eight (8) characters. Also, change your password often and do NOT reuse the same password for other online accounts.
- **USE MULTI-FACTOR AUTHENTICATION** for email accounts. Your email provider or IT staff may have specific instructions on how to implement this feature.
