

Farm or Vacant Land or Lot Disclosure Statement

This document has legal consequences. If you do not understand it, consult your attorney.

The following is a disclosure statement made by Seller concerning the following property (the "Property"):

23074 Tall Oaks Rd Warrenton MO 63383 warren
 Street Address City Zip Code County

Section Township Range Parcel No(s) Farm No(s) 22
 # of Acres (more or less)

This Disclosure Statement may assist a Buyer in evaluating the Property, but it is not a warranty of any kind by Seller or any real estate licensee involved in this transaction, and is not a substitute for any inspection or warranty a Buyer may wish to obtain. Real estate licensees involved in this transaction do not inspect the Property for defects or guarantee the accuracy of any information provided herein.

SELLER: Please complete the following form, including past history and known problems. Do not leave any spaces blank. If the condition is not applicable to your Property (or unknown), mark "N/A" (or "Unknown") in the blank. The following statements are made by Seller and NOT by any real estate licensee. Complete and truthful disclosure of the history and condition of the Property gives you the best protection against potential charges that you violated a legal disclosure obligation to a Buyer. Your answers (or the answers you fail to provide, either way) may have legal consequences, even after closing a transaction. This form should help you meet your disclosure obligations, but it may not cover all aspects of the Property. If you know of or suspect some condition which may negatively affect the value of the Property or impair the health or safety of future occupants (e.g., environmental hazards, physical condition or material defects in the Property or title thereto), then you should describe that condition and attach additional pages if more space is required.

BUYER: Since these disclosures are based on Seller's actual knowledge, you cannot be sure that there are, in fact, no problems with the Property simply because Seller is not aware of them. The statements made by Seller are limited to the Property and are not warranties of its condition. You should condition your offer on a professional inspection(s) of the Property or any off-site conditions as you deem necessary. Conditions of the Property that you can see on a reasonable inspection and/or that are disclosed herein should either be taken into account in setting the purchase price, or you should make correction of these conditions by Seller a requirement of the sale contract. **IF YOU SIGN A SALE CONTRACT TO PURCHASE THE PROPERTY, THAT CONTRACT, AND NOT THIS DISCLOSURE STATEMENT, WILL PROVIDE FOR WHAT IS TO BE INCLUDED IN THE SALE. IF YOU EXPECT CERTAIN ITEMS OR EQUIPMENT TO BE INCLUDED THEY MUST BE SPECIFIED AS INCLUDED IN THE SALE CONTRACT.**
